JULY 2022 NEWSLETTER

Cover Photo:

A trainer from Safe Spaces Handing over the Reproductive Health and Life Skills Curriculum to our teacher.

Dear friend,

We hereby send you plenty of greetings in the name of the Lord. How have you been? We are hopeful that that this finds you well and in good health.

We are fine too. It is very cold currently in Nairobi.

The second term of the academic year 2022 began very well. The term shall run for ten weeks with a three days break. If all goes well, the term shall end on 16th Sept,2022.

During this month of July, we had two main activities taking place in the school. We had a team from Safe Spaces coming in to train our teachers , held open discussions on the use of the reproductive health and life skills curriculum.

There was also a football game tournament organized by a cluster of neighbouring schools in Matopeni. We participated in the event. For an in-depth coverage, kindly spare a few moments of your time to read through this July bulletin.

We take this great opportunity to thank you for your endless support. We look forward to bigger, better and bright future!

Welcome to this month's Newsletter!

Thank you.

SAFE SPACES TRAINING OF TEACHERS

A team from Safe Spaces led by Allan and Catherine visited the school in late July. They came for a teachers training on the use of Reproductive Health and Life Skills Curriculum.

The training was mainly on introduction of life skills and reproductive health program, Methodology and Approach on handling kids, how to engage them on issues relating to Menstruation, Safety, Adulthood ,the language and delivery of System Information.

They handed over a copy of the curriculum to the school. The teachers will implement the curriculum fully and incorporate it in the regular curriculum.

REPRODUCTIVE HEALTH AND LIFESKILLS CURRICULUM

SUBMITTED TO BOSTON CHILDREN CENTRE

27TH JULY, 2022.

FOOTBALL GAMES TOURNAMENT

Sports form an integral part of the extra-curriculum activities that are incorporated into the school calendar.

It is for this reason that there was held a football tournament that featured nine schools in Matopeni and its environs.

The two day tournament saw schools won various prizes from trophies, balls and awarded certificates.

Our girls teams emerged position three overall while the boys settled for position four.

We thank our well-wishers who have supported us with games equipment ranging from balls, shoes to jerseys.

We look forward to a better performance in the forth coming event.

Thank you for your time. Have a great moment!

Yours in service,
Chrispine Ochieng.
